

**REMARKS**

Applicants respectfully submit that a computer readable form of the sequence listing was submitted with the instant application as filed. However, applicants have been informed that applicants' originally-submitted computer readable form has been lost by the Patent and Trademark Office.

Accordingly, applicants submit herewith a computer readable form of the sequence listing. The content of the paper copy of the sequence listing and of the computer readable form is the same. This submission contains no new matter.

The Examiner is hereby invited to contact the undersigned by telephone if there are any questions concerning this amendment or application.

Respectfully submitted,
